To all the puppylicious dogs out there,
and your families.

I hope you see some of yourselves in this,
and smile.

Karen.

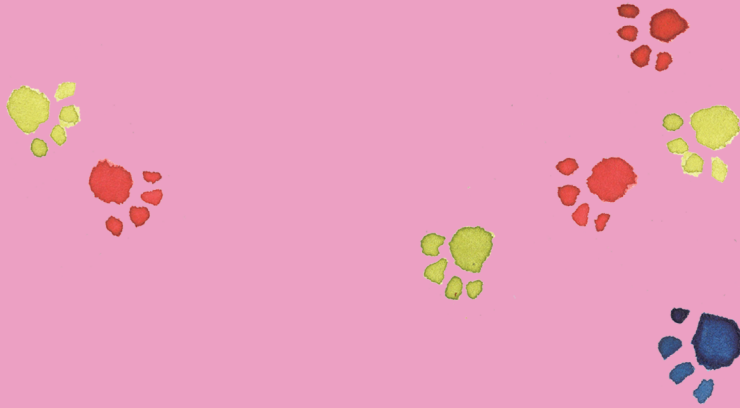

Gracie the groodle isn't naughty

She's just playful.

Gracie loves art.

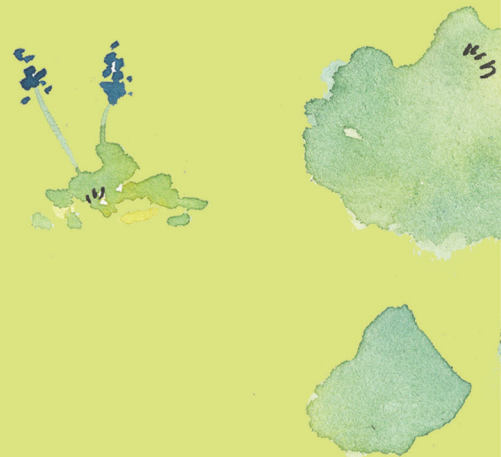

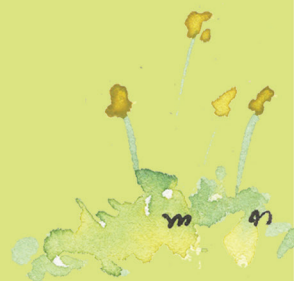

She leaves footprints everywhere she goes.

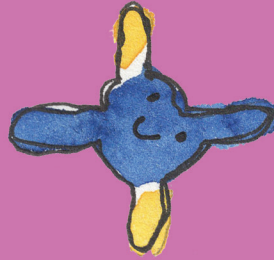

Gracie loves soccer, even more than her
family.

Sometimes the ball doesn't make it.

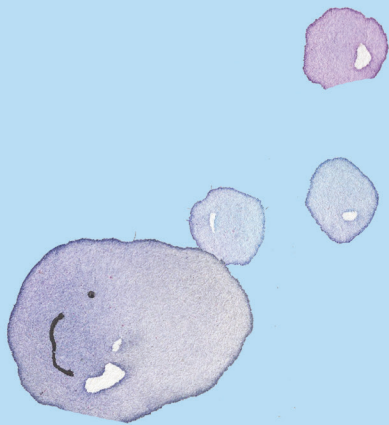

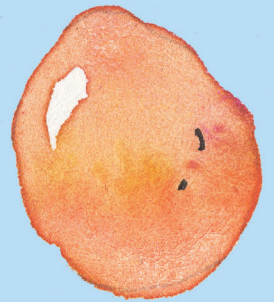

Gracie loves to play with her blanket,
she wraps herself up like a sushi roll.

Gracie likes licking ice-creams

And toes.

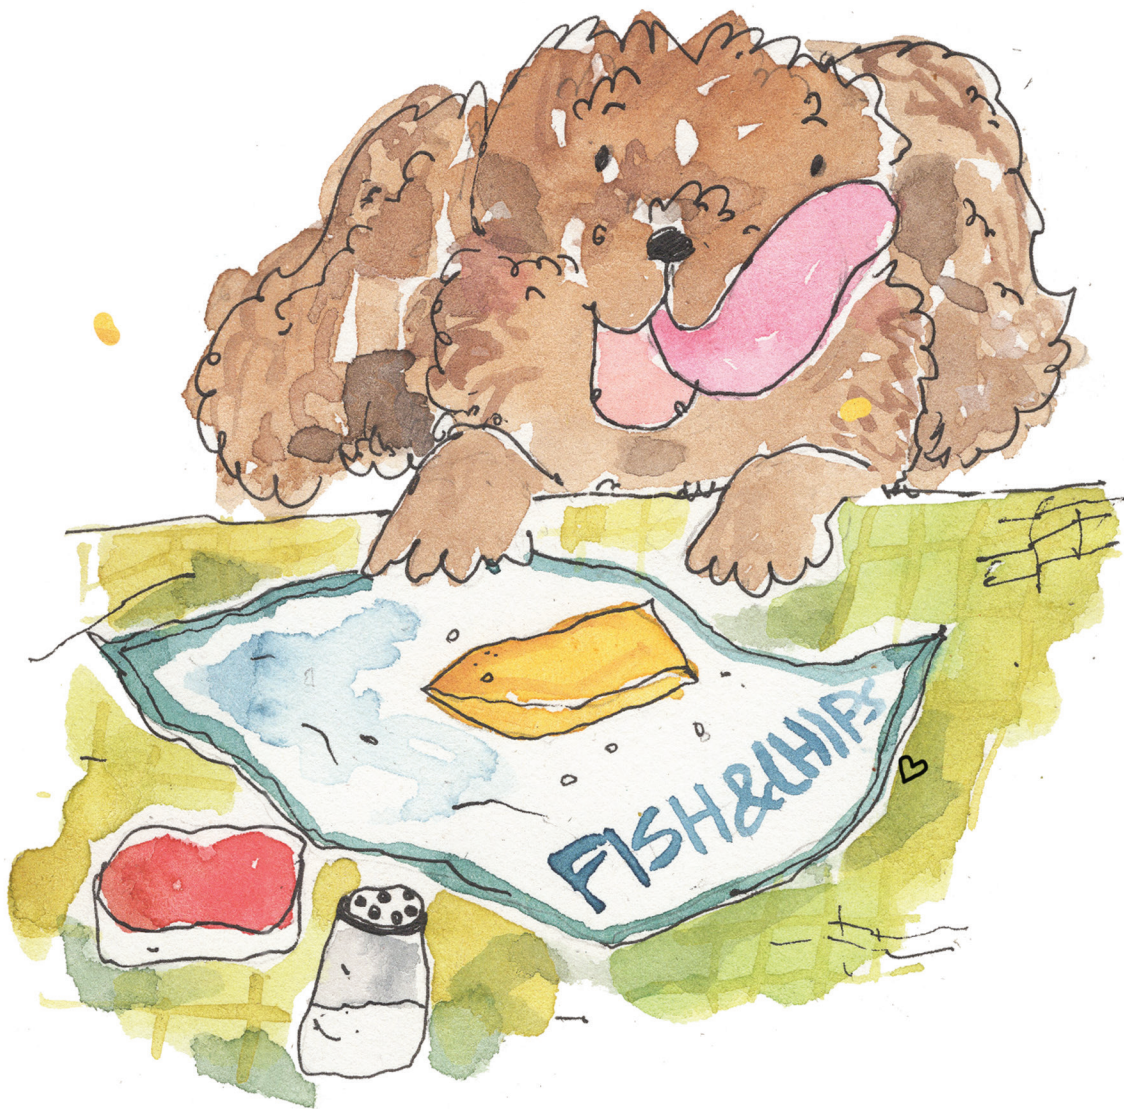

Gracie is a Houdini dog.

If there's an escape route, Gracie will find it.

Gracie loves fish and chips, just like her Mumma. Her
tongue is soooooo long.

I guess that's how she reaches the last chip so quickly.

Gracie is a thief

She steals everyone's hearts.

When visitors come, her family is
excited.

Gracie is excited too - but on a whole other level.

Gracie is a sock magnet.

Gracie has the world record for
'Most sock balls in mouth.'

Gracie loves the beach; she runs at full speed chasing seagulls.

She loves it when the family joins in.

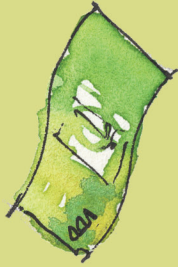

When her family order takeout.

Sometimes, Gracie thinks the order is for her.

If licks were dollars,

Gracie would be a squillionaire.

Gracie misses her family when they can't be with her.

That's all forgotten the moment they walk through the door.
