

# Help Ozzy Choose

A God Gives Us Choices Book

Written by Sarah Gaston

Illustrated by Patrizia Diana

## *To you, Caregiver:*

This book provides simple choices. Choices that seem simple to us, are a **BIG DEAL** to toddlers.

Point. Chat. Compare and contrast things in this book to your toddler's daily life. What would other family members choose? Why? Tell your child to ask YOU your favorite things on each page!

Toddlers LOVE to be in control. Toddlers THRIVE when given choices. Let them lead with this book.

Letting a toddler choose things in their daily life boosts confidence, decreases frustration, and helps with decision making skills.

**When toddlers see that their opinions matter and are being heard by YOU, their self esteem sky rockets!**

Notice how small their hands are. Listen to their little voices.

God chose YOU to be with this child right now.

Peek inside their mind and let them choose.
