## **Feeling Like Snow**

**[click here to play song](#)**

I remember way back when  
we were young,  
We'd look at the clouds  
at night,  
so gray  
we would say,

*"It's feeling like snow..."*

I can't count all the times  
I would wake to find  
that all those clouds  
had let me down.  
But I hope this time I'm right  
because I would love a  
White Christmas!

Put on your gloves and your hat,  
your biggest coat and throw on your boots.  
Maybe we'll fool these old clouds into thinking

*It's feeling like snow...*

Now I can't wait to get outside  
because I know this time  
that all those clouds  
won't let me down!  
Come on! Come on!

I think we deserve as much  
as anyone a White Christmas!

***Oh let it snow!***

No blue skies!  
No sunshine!  
Make it white!

**Let gray clouds roll!  
Let it snow!**

***Oh let it snow!***

I just know this time I'm right!  
We will wake to find  
that all those clouds  
were on our side!  
Come on! Come on!

You can give me presents  
galore, but there's  
nothing I want  
more than a  
White Christmas.

**One More Night**  
**[click here to play song](#)**

Streets are empty.  
The stores are closed.

A few more miles  
and I'll be home.

The snow is still falling  
and I'm so cold,

but I don't care  
anymore

because I've got  
one more night to wait...

Here's to those kids who can't fall asleep,  
but isn't that all of us on Christmas Eve?

Hoping The Sandman will come,  
but even he took the night off.

Oh! The sun is not doing its job  
because this night is way too long!

The one time  
everyone wishes time would fly!

Tonight no one will close their eyes.

Everyone will be awake

because we've got one more night to  
wait...

## Christmas Sunrise [click here to play song](#)

I hope you're not tired  
because we've got a long ride.  
Christmas only works if I'm home.

Because I need my family  
and friends to be with me  
no matter how far I must go.

And the children are laughing!  
The snowflakes are painting  
the sidewalks wherever I go!

As soon as we get there  
we'll leave all of our cares.  
They're better off out in the cold.

We'll pretend we're still young  
and do things we haven't done  
like nearly freeze to death  
playing in the snow.

And the children are laughing!  
The snowflakes are painting  
the sidewalks wherever I go!

This world keeps changing,  
but this day still makes me  
feel like I did so long ago!

I want a sunrise,  
a clear Christmas Sunrise  
like the ones as a child I prayed for

and I want my family  
and friends to be with me  
no matter how far they must go.

And the children are laughing!  
The snowflakes are painting  
the sidewalks wherever I go!

This world keeps changing,  
but this day still makes me  
feel like I am young  
even if I get old.

*This day makes me feel there is hope.*
